

The 49th Semi-Annual Sale of Hosiery

98,916 Pairs of Men's and Women's Sample Hose at prices which occur only semi-annually

The Semi-Annual Clearance Inlaid and Figured Cork Linoleum Remnants

Short lengths—divided into two sections—under 6 square yards and over 6 square yards.

Remnants are always made up of the season's popular patterns and colorings, because the more cuttings made the more short lengths, or remnants, remain.

Come early; bring room measurements with you, as former clearances have seen these remnants sell out rapidly.

Inlaid Linoleum Remnants
98c sq. yard **89c sq. yard**
6 sq. yds. and over Under 6 sq. yard

Figured Cork Linoleum Remnants
59c sq. yard **48c sq. yard**
6 sq. yds. and over Under 6 sq. yards

Because these remnants were handled in the course of business some pieces have become imperfect. The majority is perfect. All are, however, sold as imperfect.
